Child Evangelism Fellowship® of the Empire State

Christian Youth In Action: *Christian youth actively making a difference in the lives of America's unchurched children!*

What is CYIA?

Christian Youth in Action® is exactly what it says—Christian youth actively involved in making a difference in the lives of America's 50 million unchurched children! CYIA is a program designed to train you and a team of other young people in effective and engaging ways to teach children about God. Every year, two thirds of all children under the age of 14 never attend church or Sunday School. **You can make a difference in the lives of these children by serving as a CYIA summer missionary with Child Evangelism Fellowship**® to lead and teach 5-Day Clubs.

What is CEF?

Child Evangelism Fellowship is a Bible-centered organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living. In 2023, CEF reached over **26 million** children with the gospel in **almost every country** through its various programs and materials. You can find out more about CEF online!

What's a 5-Day Club?

For five consecutive days, 90 minutes each day, children gather in various places around the community to hear dynamic Bible lessons, sing songs, learn Bible verses, listen to missionary stories, and hear the Gospel clearly presented. For more information, go to www.5dayclub.com

How does it work?

The summer begins with one week of specialized training at Camp Good News with other youth from all around New York State. Young people, ages 12 and up, attend this training and learn how to share the gospel using the wordless book. Missionaries are trained to teach Bible lessons, memory verses, missionary stories, songs, and games.

After returning home, you will put this training to use during the summer as you work with your team to lead 5-Day Clubs throughout the summer in your local area. The clubs take place the next 4-6 weeks after returning from training. Other ministry possibilities include fairs, camp ministry, and VBSs.
